*** PLEASE NOTE:** *In accordance with the CFF Infection Control Guidelines intended to protect the health of individuals with CF, only one person with CF can attend indoor events. Thank you for leaving your child home.*

Join us for this special event with Laura Marshak PhD, Lisa Greene, and Kasey Greene

Laura Marshak, PhD is a Professor of Counseling at Indiana University of PA and co-author of *Married with Special Needs Children*.

Lisa C. Greene, M.A. CFLE is mom of two teens with CF, speaker and co-author of *Parenting Children with Health Issues*. Her message is: "You can do it!"

Kasey Greene is in the 7th grade and is a blue belt in taekwondo and plays volleyball. She loves school, friends, and having fun (not necessarily in that order).

Directions: The workshop will be held in the Physician's Conference Center (PCC) at INOVA Fairfax Hospital, 3300 Gallows Rd., Falls Church, VA. From either direction on Gallows Rd., park in the BLUE garage. When you exit the garage by foot, cross the street and turn right. Continue to the next building entrance on the left which will be the PCC. Walk down the steps, enter, and turn right. Continue walking into the large meeting room to register. Parking tokens will be available at registration.

RSVP BY MONDAY, NOVEMBER 11 to Linda Curie-Cohen at email: LCurieCohen@kidslungs.com
